Welcome to Barrier Reef Pools

Barrier Reef Pools was established three decades ago in sunny tropical Cairns and today is the largest manufacturer of fibreglass pools in the Southern Hemisphere. Due to its growth, the Company relocated to a climate and area that was better suited to all the requirements of fibreglass swimming pool manufacturing. Today Barrier Reef Pools is situated in the perfect location and climate of the Beaudesert township, 45 minutes west of the Gold Coast.

From humble beginnings in Cairns, Barrier Reef Pools has now become one of the premier manufacturers of fibreglass swimming pools in the Southern Hemisphere. The Company remains family owned and operated today.

Barrier Reef pools are sold throughout New Zealand by independent retailer companies who choose to purchase Barrier Reef swimming pools because of their high quality. Installation is arranged through the retailer. We are sure your family will enjoy relaxing and having fun in your Barrier Reef Pool. Convert your leisure area into something really special for the whole family with a Barrier Reef swimming pool.

Whether you seek classic straight lines, free form or modern styling, generous seating or unobstructed swim area. the choice is yours. With its beautiful shimmer finish on a super smooth easy care surface, you will love relaxing in your Barrier Reef Pool. Life can be pretty hectic these days, so take time off to enjoy life without leaving your home.

For curves, check out the Arlington, Sudbury or Michaelmas. For straight lines, great swim area and a fabulous entertainment pool, check out the Royale range. For an unobstructed swim area with generous seat/entry wing, check out the Venice Range. Both the Royale and Venice ranges come in full width and slimline versions. For spa and pool combo including 'beach' area, take a look at the Brooklyn.

All pools have a safety step ledge (100mm) around the perimeter of the pool for junior swimmers, non-slip steps, smooth edges and vibrant shimmer colours.

Pool Construction

Barrier Reef Pools DOES NOT use or endorse the use of any filler in Fibreglass Pools.

We start with the best and improve from there. Our commitment to overall product quality ensures that we use the finest materials and innovative manufacturing processes to bring you the very best in fibreglass pools.

We have combined our manufacturing process with the latest in swimming pool design to create a new standard across the swimming pool industry.

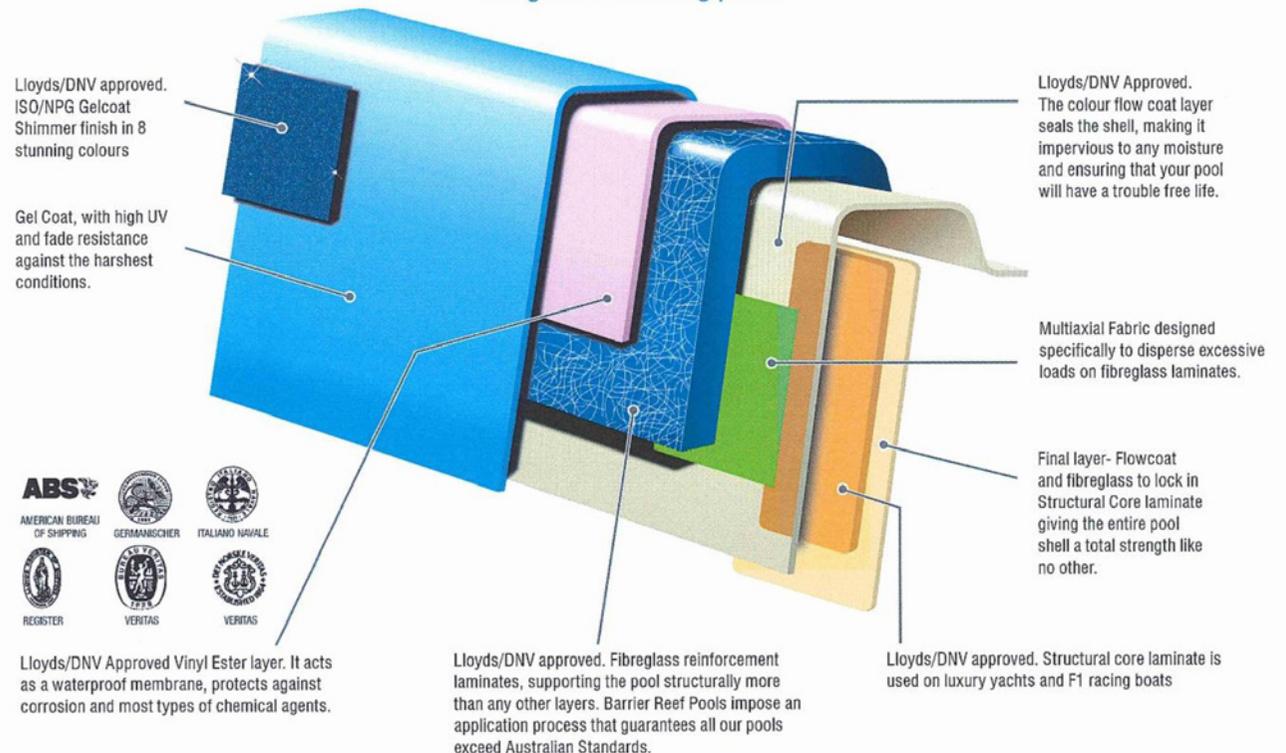

Barrier Reef Pools has the best procedures in the world for construction of fibreglass swimming pools.

Barrier Reef Pools guarantee their pools are backed with a lifetime structural warranty.

When you buy a Barrier Reef Pool, you can be assured that you have purchased the best fibreglass swimming pool money can buy.

Barrier Reef Pools is Australia's #1 choice of fibreglass swimming pools.

5 Tick Product Certification

Barrier Reef Pools prides itself on building quality fibreglass swimming pools. We are the only fibreglass pool manufacturer in Australia to hold the prestigious Australian Standard 5 tick Product Certification.

To gain this certification we had to apply to Sai Global who is the Australian Standard Approval Authority. Their approval process was extremely involved and they assessed all sections of our fibreglass pool manufacturing process and procedures.

This proves that when you are buying a Barrier Reef fibreglass swimming pool, you are really buying the best in the market place.

Venice

The Venice shape is the latest addition to our range. Derived from the Majestic and Monaco range, the Venice features the timeless classic shape of the Majestic combined with the uninterrupted swimming area of the Monaco.

A recessed step has been added for safe entering and exiting of the pool.

The massive bench and seating area in this pool is set back from the swimming lane, making this area ideal to incorporate spa jets for entertaining, or just for purely relaxing after a hard day.

Brooklyn pool & spa

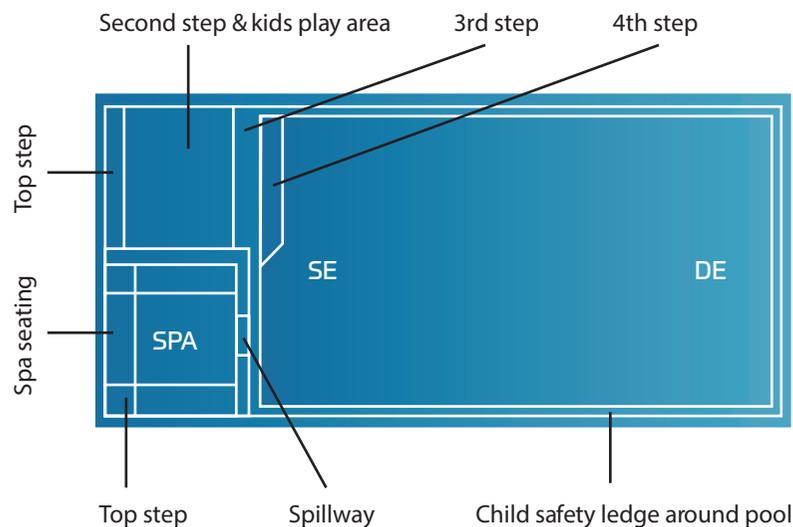

A stunning one piece configuration that has been designed with the whole family in mind. The entry point steps down into a versatile platform that is ideal as a kids play area or water lounge to sit and relax in.

Designed with dual spillway's the pool & spa can run simultaneously eliminating any additional power costs, alternatively they can be run independently. The generous swimming area has been designed to be totally un-obstructed, which is ideal for swimming laps and active families.

There is no other pool that can offer all of these features. With its square lines, designer looks we are sure your whole family will love it.

Length: 9.6m	Shallow end: 1.1m
Width: 4.4m	Deep end: 1.85m

Spa area = 1.93 x 1.85m, seats five adults comfortably.

Kids play area = 1.93m x 1.5m.

All pool measurements are approximate and are external measurements.
Pool coping is approx. 100mm wide.
The Brooklyn pool & spa is subject to minor changes.

Plunge pool

With houses becoming bigger and blocks getting smaller, the Plunge pool could be the perfect option for your back yard or courtyard area.

With its constant 1.67m deep the Plunge pool is perfect for exercise and relaxation.

The swimming area is maximised due to the dual entry steps and compact bench seat incorporated across one end of the courtyard/plunge pool, making it very versatile with its placement in just about any setting.

Another great feature of the Plunge pool is the small safety ledge incorporated into the vertical walls around the perimeter of the pool allowing parents to relax whilst the children are swimming.

This is the ultimate courtyard or plunge pool design!
